### **PARENTS-WE NEED YOUR HELP FOR MCAS-AGAIN!**

REMINDER TIPS THAT WILL BE OF HELP TO YOUR CHILD DURING THE MCAS TESTING PERIOD IN MAY.

1. Please be aware of the days that your child will be involved in testing.
2. Discuss with your child the importance of doing his/her best on all tests.
3. Since all testing starts at 8:30-please make sure that they arrive at school on time.
4. Have them get plenty of rest the night before each test and eat a good breakfast on the testing days.
5. Have them come prepared with a reading book (if they should finish early), and a calculator if they are in 7th and 8th grade for the second session of math in May.

Please visit the MCAS website for further information [www.doe.mass.edu/mcas/](http://www.doe.mass.edu/mcas/)

Thank you in advance for your help and support with the testing program,  
Mark Nardelli, Assistant Principal

### **REMINDER FROM THE SCHOOL NURSE**

As the warm weather approaches please remember to send a water bottle to school with your child particularly when they have physical education or play in after school sports. I'm seeing many students already complaining of dehydration.

ATTENTION: Sixth Grade Parents: Please remember send updated medical form to the nurse even through the summer. There still are over 100 6<sup>th</sup> grade students who will not be able to return to school in September unless this information is provided. Thanks for your help in this. Maureen Bisaga RN - Brown School Nurse

### **FOOD SERVICE NEWS**

All 8<sup>th</sup> grade students who will be moving on to either one of the high schools next year will have their individual account balances follow them. There is no need to worry; the system is designed to follow individual students account from the sixth

grade through high school graduation. If you would like an update on your child(s) account balance please contact the cafeteria manager.

### **BROWN LIBRARY HOSTING EXHIBIT ON FREDERICK DOUGLASS**

Brown will host "Frederick Douglass from Slavery to Freedom: the Journey to New York City," an exhibit created and funded by the Gilder Lehrman Institute of American History, through June 1<sup>st</sup>.

The panel exhibit traces Douglass' life under slavery and his daring journey to freedom based upon selected excerpts from Douglass' autobiography. It highlights the role of literacy in enabling Douglass to resist bondage and, once free, to champion civil rights for all Americans. The Gilder Lehrman Institute also has provided brochures, document reproductions, a site resource notebook, and instructions for teachers.

All 8th grade students at the school will be studying the exhibit in the school's library. The exhibit can be viewed free-of-charge by the public from 8:30am to 3:00pm on weekdays. For more information, contact Lauren Italiano, at 617-552-7409 or [lauren\\_italiano@newton.k12.ma.us](mailto:lauren_italiano@newton.k12.ma.us).

"As Frederick Douglass and the abolitionists are an essential part of the 8th grade curriculum, we are very excited to have this museum display to help students learn about his life and accomplishments," said Samuel McGraw, 8th grade Social Studies teacher.

In 2006, copies of five different Gilder Lehrman Institute traveling exhibits, "Frederick Douglass: from Slavery to Freedom: the Journey to New York City," "Freedom: A History of US," "Free at Last: A History of the Abolition of Slavery," "Looking at Lincoln: Political Cartoons from the Civil War Era," and "Alexander Hamilton: The Man Who Made Modern America," visited 66 sites in 28 states.

Founded in 1994, the Gilder Lehrman Institute of American History promotes the study and love of American history. Increasingly national and international in scope, the Institute targets audiences ranging from students to scholars to the general public. It helps to create history-centered schools and academic research centers, organizes seminars and enrichment programs for educators, partners with school districts to implement Teaching American History grants, produces print and electronic publications and traveling exhibitions, and sponsors lectures by eminent historians. The Institute also funds awards including the Lincoln, Frederick Douglass and George Washington Book Prizes and offers fellowships for scholars to work in history archives, including the Gilder Lehrman Collection. The Gilder Lehrman Collection contains more than 60,000 documents detailing the political and social history of the United States. The collection's holdings include manuscript letters, diaries, maps, photographs, printed books and pamphlets ranging from 1493 through modern times. The Collection is particularly rich with materials in the Revolutionary, Antebellum, Civil War and Reconstruction periods. Highlights of the Collection include signed copies of the Emancipation Proclamation, the Thirteenth Amendment, a rare printed copy of the first draft of the Constitution, and thousands of unpublished Civil War soldiers' letters. Letters written by George Washington, Thomas Jefferson, Abraham Lincoln, Frederick Douglass and others record the issues and events of their day. The writings of such notable women as Lucy Knox, Mercy Otis Warren and Catherine Macaulay discuss a variety of military, political and social issues.

## **From the PTO**

---

Dear Parents and Guardians,

On May 8, our faculty and staff were treated to an abundant, delicious and delectable barbeque. Thanks so much to Nina Levin and her crew for rustling up such a wonderful spread and making this Teacher Appreciation Luncheon a delicious success!

Thank you to all the families who made donations to the "Honor Your Teacher" technology drive. To date we have raised \$2,015.00 towards our goal of \$11,000 to purchase ten iMacs for the library. "Honor Your Teacher" will continue through June as a year end way to acknowledge the excellent work of our teachers and staff. Forms can be found at: [http://www.newton.mec.edu/brown/200607\\_Honor\\_Your\\_Teacher.pdf](http://www.newton.mec.edu/brown/200607_Honor_Your_Teacher.pdf)

Please join us on Wednesday, June 13 in the Brown library for the Parent/Teacher End of Year Coffee & PTO Meeting. Everyone is welcome for coffee and conversation with faculty and staff at 8:00am. We will start the meeting by 8:45am to review and vote on the 07-08 PTO budget and slate of officers. Feel free to stay, socialize and share your feedback and suggestions to help us make the PTO even better next year!

The PTO is an important part of the success of our school. We would love to have more parents involved next year. If you want to get a little more involved – we have a job for you. If you are working, or don't have a lot of spare time – we still have a job for you. Please review the table below to see which chair/volunteer positions are still open for next school year. Let us know what you are interested in doing and call or email us for more details of what is involved. We'd love to have you help out!

Sincerely,  
 Karen Spier (617-965-0742) and Mimi Karys (617-964-2908), brownpto@brownpto.org

### **THE BROWN PTO CREATIVE ARTS AND SCIENCES COMMITTEE**

We were proud to present Charlotte Blake Alston on Wednesday, May 2 for all grades. This was the second of two Concert Series Programs organized by the Newton Public Schools Creative Arts and Sciences Coordinator, but funded by the Brown PTO. Ms. Alston is an award winning African American storyteller, modeled after the traditional storytellers of West Africa. She was a former teacher for 19 years. During the program she taught students about the oral tradition's important role in the African and African American cultures used to teach language and communication skills, history and moral lessons. She also performs annually with the Philadelphia Orchestra and at Carnegie Hall in New York City.

Chariot of the Sun by Jeff Benoit on Wednesday, May 9 for the seventh grade. This theatrical program introduced the students to the heroes, monsters and goddesses of Greek mythology. Through the use of poetry, masks, mime, call and response, and other skillful audience participation techniques, Mr. Benoit's presentation captured the spirit of three ancient myths as follows:

- "Phaethon" which is the myth about a boy who attempts to drive his father's sun chariot across the sky
- "Pandora" and her mysterious box
- "Odysseus and the Cyclops"

If you have any questions about these programs or the committee, please don't hesitate to contact Stephanie Elkind, Sue Chari or Kelly Petracca.

### **6<sup>th</sup> GRADE PARENT-STUDENT BOOK GROUP**

Brown 6<sup>th</sup> Grade Parent-Student Book Group Meets Monday, June 4, 7:00 to 8:30pm in the library as usual. Snacks provided. This will be our last meeting of the year. If you couldn't make the other meetings, please join us this time! We are reading

STAR OF KAZAN by Eva Ibbotson, a suspenseful story set in the Austro-Hungarian empire. Booklist calls the book "a breathless adventure that skillfully enfolds deliciously cruel villains, crumbling aristocratic families, stolen jewels, and a cast of lovable professors and children." Please reply to [laurenadams@rcn.com](mailto:laurenadams@rcn.com) if you plan to attend or have any questions. Hope to see you there!

To schedule an audition please call Martha Holmes at 617-965-7573 or Williams School at 617-559-6480, or e-mail [martha\\_holmes@newton.k12.ma.us](mailto:martha_holmes@newton.k12.ma.us)

### **SCHOOL COMMITTEE REQUESTS FEEDBACK FOR SCHOOL CALENDAR START DATE**

The School Committee is interested in getting feedback from parents about a proposed policy for setting the start date of the school calendar each year. Comments can be emailed to the school Committee at [schoolcommittee@newton.k12.ma.us](mailto:schoolcommittee@newton.k12.ma.us).

The School Committee held an initial discussion at its regular meeting on May 14, 2007 related to the school calendar for FY09 and is considering the following policy for all future school calendars:

"When Labor Day occurs on September 1, 2, or 3, teachers will report on the Tuesday following Labor Day, and students will return on Thursday of that week.

When Labor Day occurs on September 4, 5, 6, or 7, teachers will report to school on the Wednesday and Thursday preceding Labor Day, and students will return on the Tuesday following Labor Day."

Members of the committee have expressed interest in having a separate vote to mark December 24th as a holiday in the school calendar.

Final School Committee vote on the calendar will be held on May 29th.

### **HOST FAMILIES NEEDED FOR CHINESE EXCHANGE STUDENTS FOR FALL 2007**

Here is a great opportunity to participate in an enriching, diplomatic, generous, international experience and build better US-China relations--without leaving Newton! The Newton-China Exchange Program is seeking several north side and south side families to host Beijing Jingshan School students and teachers. Newton will host six to eight Chinese high school students and two teachers from our sister school in Beijing for a four month stay. The Jingshan School sends us their best and brightest and their English skills are remarkable.

Host families are not obligated to serve as full-time tour guides: our Newton China Committee generously provides a variety of invitations and experiences. Health insurance and back-up accommodations are provided. Students and teachers quickly settle into a busy schedule of school, activities, and family routines. A warm, welcoming family with children (of any ages) is the best place for our visitors to learn about America! If you're interested or have questions, please contact Donna Fong [donna\\_fong@newton.k12.ma.us](mailto:donna_fong@newton.k12.ma.us) or Aaron Washburn [aaron\\_washburn@newton.k12.ma.us](mailto:aaron_washburn@newton.k12.ma.us) or call 617-559-6731.

### **COOL GLOBES PUBLIC ART PROJECT**

This project is looking to raise awareness about global warming. It will take place in Chicago from June through September. To get youngsters into the festivities, the "Cool Globes for Cool Kids" was created. The contest is challenging kids to create a piece of artwork shaped like a globe. Along with their globe, entrants must also submit a written description of their solutions to global warming. Students are allowed to work individually or as a group. The globe submissions must be in by Friday May 25<sup>th</sup>. The winners will be announced on the website by June 1<sup>st</sup>, and then the artwork will be displayed at the Kohl's Children's Museum in Glenview, Illinois. Encourage your child to have a group of friends create a globe together. Maybe suggest to your child's teacher to make it a classroom activity. Go to [www.coolglobes.com](http://www.coolglobes.com) for details.

### **NEWTON GIRLS INTRAMURAL SOCCER**

Registration for the upcoming fall season of Newton Girls Intramural Soccer is currently underway for Newton girls currently in grades K-8. Games are played on Saturdays, starting September 8<sup>th</sup> and continue until November 10<sup>th</sup>. For grades 2-8, in addition to the games on Saturdays, there is also generally one practice per week. The goals of the NGS Intramural Program are for the girls to learn soccer skills, have fun and be part of a team. To register, or to find out more information about the NGS IM Program, please visit our website at [www.newtongirlssoccer.org](http://www.newtongirlssoccer.org). Scholarships are available based on need.

### **BOSTON WALK TO CURE LUPUS WALKATHON**

Mother of Brown student Kori Tatum recently registered for the 2007 Boston Walk with Us to Cure Lupus Walkathon, which will be held on June 9<sup>th</sup> at Castle Island. 100% of the proceeds from this event will fund research sponsored by the Alliance for Lupus Research (ALR) in its efforts to prevent, treat, and cure lupus. Your generous support will help her reach her own fundraising goal, and is essential to the ALR's major research program. More information on the Alliance for Lupus Research can be found at <http://www.lupusresearch.org/>. It is faster and easier than ever to give your support! Visit her [Personal Webpage](#) to donate with a credit card online. Immediately after making your gift, you will receive an email with tax receipt information. You can also send her a check contribution. Make all checks payable to the Alliance for Lupus Research, and include Kori's ID Number in the check's memo line: NE-80000. Mail checks to her so she can collect them and turn them in on walk day. You can also mail checks directly to the Alliance for Lupus Research at: Walk with Us to Cure Lupus, 28 West 44th Street, Suite 1217, New York, NY 10036. Whatever you can give will help; it all adds up!
